

GIVING GUIDELINES AND EXCLUSIONS

Cadillac Fairview donates to non-profit organizations that are designated as registered charities and whose funds are directed towards Canadians. While the majority of our efforts are focused on youth empowerment, gifts outside of this theme will be also considered, with priority given to registered charities in the health care, educational and community sectors.

Agencies and/or individuals falling into the following categories will not be considered for funding:

- Non-registered charities;
- Political parties or candidates;
- Religious groups (except for secular activities open to those of all faiths, such as operating a home for the elderly);
- Individual pursuits and private foundations;
- Lobbying or advocacy groups;
- Purchase of tickets for fundraising events;
- Duplication of direct and indirect donations to affiliate organizations and agencies where generous support already exists;
- Service clubs, fraternal organizations or third parties raising funds for a charity;
- Private pre-schools, elementary or secondary schools. (Assistance may be provided to community-based charitable groups working to enhance public pre-school, elementary or secondary school programs);
- Sports teams (unless they are a registered charity).
